Letter from the Mayor

Things to See & Do:

- Backbone State Park
- Wilder Museum
- The Big Strawberry
- www.strawberrypoint.com

Summer brings many events and the need for volunteers. Things like the 40th Anniversary of Strawberry Days, getting started with the work toward completing the Vision 2020 goals, and city wide cleanup (this year they will take TVs and computers). These events and others will be in need of volunteers. Please join in.

The Chamber is well underway planning for Strawberry Days. If you could be a volunteer, please check with McKenzie at 933-4417 and she can put you in touch with the right people. We can all volunteer to attend Strawberry Days and bring at least one person from outside our area. It would be great to have a “packed house” for all the events.

Our Vision 2020 Plan is on the website, www.strawberrypoint.com, in city hall, and at the library. If you have not looked it over, please do. The responsible groups will need the help of many volunteers. No need to wait to be asked. Just contact the group in charge of a goal and tell them you are ready to help.

City Wide Spring Cleanup Day is May 9th. Hopefully you have been doing your spring cleaning and will have your items at the curb. This is our one day, big push to clean things

up around your home and around town, but it should not be the only time. A way to volunteer in keeping our town clean is to pick up papers, etc as you walk around or volunteer to help a neighbor or friend with the big things when they are cleaning up around their house.

Volunteers make the town. The more volunteers working together, the quicker a town can get things done. Thank you to all who have volunteered in the past and thanks in advance to all who will be volunteering in the future.
