

BI-County Disposal, Inc.

Follow these simple guidelines for proper recycling

****ALL ITEMS MUST BE CLEAN****

Glass

Only clear, green, or brown containers that held food or beverages are recyclable. Please rinse containers and remove the lids. Metal jar lids can be recycled with metal cans. Do NOT break the glass. A SEPARATE CONTAINER NEEDS TO BE USED FOR GLASS.

Cardboard/Paper

Place clean, dry paper in a paper bag. Acceptable materials are books, carbonless forms, catalogs, CLEAN pizza boxes, corrugated cardboard, envelopes, gray cardboard, tissue roll cores, junk mail, magazines, newspaper, office paper, paper egg cartons, phone books. No paper towels, tissues, napkins, paper plates, diapers or sanitary products.

Metal

Rinse all metal containers. Acceptable materials are aluminum foil, beverage cans, metal jar lids in flattened cans, pie pans, rinsed food containers and screw top jar lids.

Plastic

Check the bottom of the plastic for the recycling symbol and number. Number 1, 2, 3, 4, 5 & 7 are accepted. NO NUMBER 6! Please rinse all containers. Acceptable materials are bleach bottles, cooking oil containers, dish soap bottles, household cleaning bottles, laundry soap bottles, lotion bottles, margarine or ice cream tubs, milk and juice jugs, pop and water bottles, shampoo bottles, yogurt cups, food wrap, plastic bags, and Tupperware. Remember that every item must have a number 1, 2, 3, 4, 5, or 7!
