

Strawberry Point City Council
Work Session June 21, 2021

The Strawberry Point City Council met for a work session on Monday, June 21, 2021 at 7:30 p.m. at the Civic Center Senior Citizens' Room. Mayor Hannah Evans presided. Council members present were Courtnage, Gearhart, Gould, and Hansel. Also in attendance were Public Works Superintendent Erik Sauerbry and representatives of Berry Tender Child Care.

Those in attendance discussed building improvement priorities and building use plans for both organizations. Priorities remain the same: heating/cooling, windows, and multi-purpose room acoustics. Berry Tender Child Care intends to remain in the space at least over the next few years and suggested the City propose terms for a long-term lease and/or financial commitment to the improvements. The meeting concluded with a tour of the Berry Tender Child Care space.

With no further business, Gearhart moved to adjourn the meeting at 8:15PM. Hansel seconded the motion. All ayes.
