**Subject:** Thermal blanket and reel pricing

Hi Erik:

Here are the prices for the thermal cover options and reel, 9 week lead time:

5 yr warranty - \$8,103.00

7 yr warranty - \$8,879.00

Reel to accommodate all panels - \$10,524.00

Estimated freight - \$4,750.00

Please let me know if you need this put into a formal proposal. The freight is high due to the size of the reel, blankets, and weight. Plus it comes from the west coast.

And feel free to call with any questions .

THANKS
