Filing Title: CITY OF STRAWBERRY POINT Reliability Plan

Dear Chief Operating Officer:

Pursuant to Iowa Administrative Code 199-27.10(3)(g), CITY OF STRAWBERRY POINT is filing its annual Reliability Plan. This plan is updated no less than annually, approved by utilities governing body, and filed with the Iowa Utilities Board by April 1, of each year for the purposes of complying with the informational reporting requirement of Iowa Administrative Code 199-27.10(3)(g).

CITY OF STRAWBERRY POINT takes its responsibility to provide safe, reliable and affordable electricity to those we serve seriously. As a municipal utility, we are not profit driven but rather focus on providing superior service rather maximizing returns. We are proud of our efforts in providing superior system reliability. Our record of reliable service illustrates our commitment to our community partners, but also our owner customers.

Please feel free to contact our City Administrator/Clerk, Ashley Jasper if you have questions at 5639334482. These concerns will be conveyed to CITY OF STRAWBERRY POINT's governing authority so we can respond appropriately.

Sincerely,  
/s/ Ashley Jasper
