Hi Erik:

Here is the information on the EQ pump. The used one versus a new one.

There is no warranty on the used one. We would have it bench tested at a motor shop to make sure it runs good!!

here are the prices for a new 10HP EQ pump and basket, 1 year warranty

Pump - \$8625.55

Basket - \$253.77

and 4-5 month lead time, plus shipping.

Thanks,
Cyndi

used 10HP EQ Pump with strainer - \$5029.70, plus an estimated
\$200 for the bench testing.

used strainer basket - \$108.00

Plus shipping/delivery to their location

Thanks,
Cyndi
