Dear Ashley:

As requested, we are providing a cost estimate for the following projects listed below:

1. Change out crossarms near the intersection of Buffalo St and Park Ave. Total estimated cost for labor, equipment and materials is \$1,064.13.
2. Change out a 40' Class 5 transformer pole on East Elm St. Total estimated cost for labor, equipment and materials is \$3,793.29.
3. Change out two poles with multiple attachments in back lots on Eder St. Total estimated cost for labor, equipment and materials is \$3,432.49. If large track is needed for backyard access and to lessen ruts, \$150 additional per hour.

Total estimated cost for material and installation is \$8,289.91. After completion of the project, we will bill actual cost. When you want to move forward with the project, please let me know.

Sincerely,

Jason Troendle  
Director, Operations & Engineering
